Special to Pelahatchie News

The East Rankin Academy Lady Patriots JV basketball team, grades 8th and 9th, defeated Simpson 37-17 at the Mississippi Association of Independent Schools (MAIS) Junior High 2-5A State Championship basketball game.

“Our girls played a great game,” said ERA Coach Brooke Rhodes. “We had split with Simpson during the season and that was our one district loss, so they were ready to avenge that. We played really hard on defense and that really jump started our offense. I could not be more proud of this group.”
